

Vimum Wine Glass (300ml)

Vinum is a range of glassware made from SAN. They look as good as glasses made from polycarbonate or Tritan, but without the same longevity. However, they are still very much reusable glasses, and the price makes them excellent value.

Specification	
Code	2765
Description	Inexpensive reusable wine glass
Material	SAN (recycle)
Rim Diameter	70mm
Height	180mm
