

Vimum Champagne Glass (150ml)

Vinum is a range of glassware made from SAN. They look as good as glasses made from polycarbonate or Tritan, but without the same longevity. However, they are still very much reusable glasses, and the price makes them excellent value.

Specification

Code	3777
Description	Inexpensive reusable champagne glass
Material	SAN (recycle)
Rim Diameter	50mm
Height	195mm
